MRS. L. T. CHADWICK St. Mary's Auxiliaries Get Director

A former vice president of St. Mary's Hospital Auxiliary has been appointed the hospital's first director of auxiliaries. She is Mrs. L. T. Chadwick, a Tucson resident for one year and the wife of an associate professor in the department of architecture at the University of Arizona. Sister Mary Esther, administrator and superior of St. Mary's, announced Mrs. Chadwick's appointment yesterday. The post of director of auxiliaries is a full-time assignment. The administrator said the position was created to provide a constant liaison between the hospital administration and the auxiliary organization. Members of the auxiliary volunteer their time providing a variety of services for patients in the hospital seven days a week. Before coming to Tucson, Mrs. Chadwick was director of auxiliaries at O'Connor Hospital in San Jose, Calif., operated by the Sisters of Charity of St. Vincent de Paul. St. Mary's is run by the Sisters of St. Joseph of Carondelet. Previously she did volunteer work in the Veterans Administration Hospital in Salt Lake City and in Selkirk Hospital near Winnipeg, Manitoba. She was a member of St. Mary's Auxiliary the past year and only three months ago was named first vice president of the organization. A native of Winnipeg, Mrs. Chadwick holds a bachelor of arts degree from the University of Manitoba. The Chadwicks have two children, a daughter, 15, and a son, 9, and reside at 2514 E. 19th St.

Wrecked B24 Flew From D-M

The B24 bomber found wrecked in a remote High Sierra lake near Fresno, Calif., made its last flight from Davis-Monthan army airfield here Dec. 3, 1943, it was learned today. Mrs. Elizabeth Shanks, 4052 E. Glenn St., identified one of the six-man crew who perished in the crash as Howard Wandtke, a turret gunner and radio man. "He had just passed his 20th birthday," she said. "His crew was training at Fresno for night fighting in the South Pacific. They flew here to receive promotions to staff sergeants. "They were last reported on their way back over Daguerre, Calif., on course and on schedule. When they failed to land, it was thought they had overshot California and were lost in the ocean." Mrs. Shanks said Wandtke was the brother-in-law of her son, W. E. Shanks, 864 E. Edison St. Wandtke's mother, Mrs. David Volentine of Toledo, Ohio, was notified yesterday by the Army that his body had been found. The Army has deep sea divers working in the mountain lake, recovering the bodies. The wreckage, unnotified for 17 years, was reported last week by geologists working in the area. A picture of the wreckage in the Citizen caught Mrs. Shanks' eye and yesterday her son phoned Mrs. Volentine in Toledo.

Robbery Charge Dropped

Tommy A. Sheffield, 21, already in Arizona State Prison, had an attempted robbery charge against him dismissed in Superior Court yesterday by Judge Herbert F. Kruecker, on a motion of the county attorney's office. Sheffield, who had given his address as 910 S. Santa Rita Ave., is serving a 3 to 5 year term for burglary because his probation was revoked. He was put on probation for two years last December for the burglary of Grandma's Kitchen, 86 S. Park Ave. Then, on Apr. 22, he was arrested for the attempted robbery of Joseph Jucius, 42, of 138 W. Ochoa St. His probation was revoked after his arrest on that charge.
